### **DETAILED ACTION**

This Office action is in answer to the application filed 9/25/2003.

#### **Allowable Subject Matter**

1. Claims 1-8 are allowed.

With regard to claims 1-8: none of the references of record prior to applicant's filing date discloses, teaches, or suggests a charge discharge control circuit comprising, *inter alia*, a circuit for switching a state of the charge discharge control circuit to any one of a normal application state in which charging and discharging of the secondary battery are controlled, a charging and discharging prohibition state in which the charging and discharging of the secondary battery are forcibly prohibited, and a test state in which characteristics of the charge and discharging control circuit are evaluated, in accordance to receiving a signal from the detecting circuit in response to a voltage of the secondary battery.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
